Learn how to add figures to your paintings.

What to bring: Bring what you need to paint in your medium. You will also be drawing, so bring a drawing pad at least 9 x 12, an assortment of pencils and charcoal, vine charcoal, erasers, and blending stumps.

Dan has been an artist for as long as he can remember. He received a BFA from Calvin College in Michigan, which propelled him toward a lifetime career in the arts. After many years as an illustrator and cartoonist, he ventured off into portraiture, street painting, abstracts, and more. He has now combined his experiences into painting in public places, before crowds, with a brush in each hand at the same time no less.
